2013 Recognized Schools NECAP Assessment Performance 15% to 20% Above State Average

The following schools have been recognized for their commitment to continuous improvement. That commitment has been demonstrated by the fact that the percentage of all students in the proficient or above category for NECAP scores in both reading and mathematics is 15% to 20% above the state average.

SCHOOL	SUPERVISORY UNION/DISTRICT
Albert D. Lawton School	Chittenden Central S.U.
Brewster Pierce School	Chittenden East S.U.
Browns River Middle US #17	Chittenden East S.U.
Charlotte Central School	Chittenden South S.U.
Essex High School	Chittenden Central S.U.
Fayston Elementary School	Washington West S.U.
Folsom Education & Community Center	Grand Isle S.U.
Guildhall Elementary School	Essex Caledonia S.U.
Killington Elementary School	Windsor Central S.U.
Marion W. Cross School	SAU 70
Montpelier High School	Montpelier S.D.
Newton School	Orange Windsor S.U.
Rick Marcotte Central School	South Burlington S.D.
Rivendell Academy	Rivendell S.U.
Rumney Memorial School	Washington Central S.U.
Shelburne Community School	Chittenden South S.U.
South Royalton Elem/High School	Orange Windsor S.U.
Wardsboro Central School	Windham Central S.U.
Warren Elementary School	Washington West S.U.

The percentage of the 'all students' group performing at a 'proficient or above' level is 15% to 20% percent above the state average across reading and mathematics for either the Grade 3-8 NECAP assessment or the High School NECAP assessment.
